**REQUEST FOR RECONSIDERATION OF PETITION TO WITHDRAW  
HOLDING OF ABANDONMENT BASED ON FAILURE TO RECEIVE  
NOTICE OF NON-COMPLIANT AMENDMENT**

Commissioner for Patents  
Alexandria, VA 22313-1450

Sir:

In response to a Decision on Petition dated August 8, 2003, the undersigned petitioner respectfully submits the following.

The undersigned petitioner petitions the Patent and Trademark Office to withdraw the holding of abandonment and to remail the Notice of Non-Compliant Amendment.

During a telephone conference with Examiner Deberadinis on February 19, 2003, it was learned that a Notice of Non-Compliant Amendment was mailed to the petitioner's

Serial No.: 09/640,809

address on April 19, 2002. However, the notice has not been received at the office of the petitioner to date. A search of the file jacket and docket records indicates that the notice was not received. A copy of the docket record where the non-received notice would have been entered is hereby attached.

In the Decision on Petition, the question was raised that the docket numbers shown in the record are of a type/style of 67,200-324, which is inconsistent with the present docket number of 199-1721 (018).

The petitioner respectfully submits that 199-1721 is a docket number of the client (Ford Motor Co.), which the client has insisted on using on the face of all communications with the PTO. Our docket number for the case is 67,600-018, where "018" was shown in the parenthesis.

The Commissioner is hereby authorized to charge payment of the petition fee to Deposit Account No. 50-0484.

Respectfully submitted,

TUNG & ASSOCIATES
